THE AUTHORITY.

When you need objective information on library equipment, furniture, and supplies, there is only one published authority—*Library Technology Reports*.

Library Technology Reports is a unique bimonthly consumer publication of the American Library Association. *LTR* is designed to provide critical, objective evaluations of products used in libraries, media centers, and other educational institutions.

Testing and evaluation are conducted by nationally recognized independent testing laboratories and consultants, among which are R. A. Morgan Company (microform readers); United States Testing Company (audio-visual equipment); William R. Hawken Associates (microform reader/printers); and Buyers Laboratory Inc. (photocopiers, typewriters, steel library shelving, and library furniture).
